For the purpose of partially paying the amounts of the items specified herein for the Austin State Hospital, State Orphan Home, Texas School for the Blind and Texas School for the Deaf, there is hereby appropriated the interest on all securities held by these several institutions, and any balances remaining at the end of any fiscal year in the Available Lunatic Asylum Fund, Available Orphan Asylum Fund, Available Blind Asylum Fund, and Available Deaf and Dumb Asylum Fund; and said interests and balances shall be transferred by the State Comptroller and State Treasurer, to the General Revenue Fund either annually or semi-annually.

## GENERAL PROVISIONS.

Sec. 3. All salaries shall be paid in twelve equal monthly installments except as otherwise herein provided; and under direction of the Board of Control, all employees may receive board and laundry except when otherwise limited.

When a necessity exists for additional help at any of the eleemosynary institutions, the Superintendent of the institution where such need exists, upon the written approval and consent of the Board of Control, may employ such additional help, and pay for same out of any local institutional receipts including pay patient funds, after such receipts shall first have been deposited in the State Treasury, or out of the support and maintenance appropriation of such institution; also to pay repair and improvement laborers' wages and salaries out of the repair and improvement appropriations; provided that no salaries for such help shall be paid in a larger amount than the regular appropriated salaries for similar positions at such institution or similar institutions, and that none of said funds shall be used to supplement or increase any salaries specifically fixed by the Legislature.

No property belonging to any of the above institutions shall be sold or disposed of without the consent of the Board of Control; and all proceeds from the sale of any such property, from labor performed, from the sale of crops and pay-inmate receipts, after such receipts and funds shall have been deposited in the State Treasury, shall become and are hereby appropriated as a contingent fund to be expended under the direction and upon approval of the State Board of Control. The State Board of Control is hereby authorized to use out of the proceeds of said receipts and funds, after they shall have been deposited in the State Treasury, such amounts as they shall deem necessary for the support and maintenance of said institutions, including the purchase of equipment and materials for the entertainment, diversion or therapeutic improvement of the patients and inmates; needed hospital or institutional furniture and equipment, supplies, materials, repairs, improvements and contingencies; and a complete statement of all such transactions shall be made in the annual reports of said institutions. The industrial and small store receipts of said institutions including those of the Austin State Hospital Dairy Products Plant, are hereby appropriated for the support, maintenance and operation of said enterprises and such receipts and funds may be used as a contingent fund under the direction of the Board of Control. Any balances remaining to the credit of any of said institutional local funds in the State treasury at the end of any fiscal year are hereby re-appropriated for the above mentioned purposes for each year of the biennium.

After they shall have been deposited in the State Treasury, and upon the approval of the Board of Control, said institutions may make just and properly due refunds of any advance payments made on behalf of pay inmates out of the pay-inmate receipts or funds; and the Board of Control is allowed, and there are hereby appropriated out of said funds not exceeding \$500 per year for traveling expenses and such other amounts for the employment of additional help, not to exceed two employees, as shall be necessary, to be used by the Board of Control in connection with the collection of pay-inmate charges for the eleemosynary institutions, the amounts to be paid for such help not to exceed amounts paid for similar services.

Each of said institutions is hereby allowed from its support and maintenance appropriation a small revolving cash expense fund not to exceed, at any one time, \$800.00 at the larger institutions and not to exceed \$400.00 at the small institutions for the purpose of making emergency payments and purchasing perishable products, and the amount allowed each institution shall be certified to the State Comptroller by the Board of Control. Also each institution operating small stores, industrial or occupational departments, including the Dairy Products Plant at the Austin State Hospital, are hereby allowed revolving cash expense funds out of the respective institution's industrial or occupational deposits in

the State Treasury for the purpose of making emergency expenditures necessarily incurred in connection with the institution's industrial or occupational activities, in amounts not to exceed \$800.00 at the larger institutions and not to exceed \$400.00 at the smaller institutions, at any one time, the amounts for such purposes to be certified by the Board of Control to the State Comptroller.

If any work be done or the place not filled by the appointment of a person, for whom a salary is herein fixed, then such salary shall lapse and be returned to or left in the State Treasury; provided, that no person for whom any salary is herein fixed shall be allowed to draw more than the amount of such salary from any other salary or amount herein fixed, or from any fee authorized to be charged, or from any State fund or funds under the control of the governing authority of such particular institution; and provided that if any amount herein fixed for any particular purpose be not used for such purpose, in whole, or in part, the unused portion of such fixed amount shall be returned to or left in the State Treasury; provided further, that this language shall not be construed to prevent promotion, or the transfer of one employee from the position for which employed, having affixed thereto one salary, to another position having affixed a different salary.

When it has been provided that the family of a superintendent, officer or employee of any of the said institutions, are permitted to live at said institution, and furnished with board, fuel, lights, laundry, water, housing, or furnished any of said things, the word "family" shall be construed to mean the immediate family of said superintendent, officer or employee, including himself, wife, and legally dependent children, and when any officer or employee is to be furnished with provisions not to exceed some certain amount stated, it shall be the duty of the storekeeper and accountant to charge said superintendent, officer or employee with each item of provisions as furnished him, showing the price value thereof, and said storekeeper shall not permit the amount authorized to be exceeded, and shall make a monthly report of same to the Board of Control, and said Board of Control shall be charged with the duty of seeing that no account for such provisions exceeds the amount allowed therefor; provided the Board of Control may authorize one of the cooks provided in the Acts to be assigned to the Superintendent's quarters.

And it shall be further provided that the heads of all said institutions hereinbefore mentioned shall keep a record of the absences of various employees and the reasons therefor, whether from sickness, vacation, or leave of absence, and that the record of such absence be incorporated in the report made annually by the head of said institution.

Provided, that all new buildings authorized by this Act, costing more than \$10,000.00 and for which appropriations are hereby made, except as otherwise provided, shall be of fire-proof construction.

None of the hereinabove appropriations may be used for traveling outside of the State of Texas except upon the written consent of the State Board of Control.

The amounts appropriated in this Act are intended to cover and shall cover the entire cost of the respective items; and shall not be supplemented from any other source whatever, and no portion of the money appropriated for any particular item shall be used or expended for any other item than that for which such appropriation was made; and no salary for which an appropriation is made herein shall be paid to any person unless such person actually discharges the duties of the position for which such appropriation was made; and no portion of an appropriation for one position shall be paid to any person holding any position other than that for which such appropriation was made; and it is especially provided hereby that all contracts and undertakings entered into under and by virtue of the terms hereof, for improvements, enlargements, and repairs on buildings and grounds, and for the construction of new buildings and for furnishings and equipment of buildings, shall be made strictly within the limits and terms of the appropriations made for such purposes, and it shall be the duty of the Board of Control of the various institutions, in the consideration and adoption of plans, specifications

and contracts therefor, not to exceed such appropriations nor to incur any obligations in excess thereof. It is provided, however, that the Superintendents of said institutions, under the direction and upon the written approval of the State Board of Control, shall be authorized to make such changes and substitutions of any amounts appropriated for maintenance, miscellaneous items, repairs and improvements, excepting new buildings, as may be found necessary.

Vacations of not exceeding twelve working days may be allowed all the twelve month officers and employees of the institutions.

It is provided that none of the money herein appropriated for the State Tuberculosis Sanatorium shall be used to treat any person who has not been a resident bona fide citizen of Texas for at least three years, provided, however, that this provision shall not apply to any child born in the State of Texas.

It is further provided that the expenditure of all money herein appropriated for the maintenance and welfare of the Alabama and Coushatti Indians in Polk County, shall be under the direction of the Board of Control, and that all employees, except as otherwise provided, shall be appointed by and be under the supervision of said Board of Control.

Any Superintendent of any of the foregoing institutions named in this bill, for which an appropriation is made herein, or any other person charged with the duty of disbursing the funds appropriated herein, who shall knowingly violate any of the provisions of this Act, shall be, and the same is hereby made, a ground for the removal of such person from office.

Provided further, that none of the above salaries shall be paid to any of the above mentioned employees by the Comptroller until such employee has filed with the Comptroller an affidavit showing that not more than one other member of his or her immediate family is employed in an institution included in this appropriation bill, and the Comptroller is hereby forbidden to issue any warrant to more than two members of any one family; and when such affidavit shows that more than two members of any one family are so employed, the Comptroller shall hold up payment to all of the employees so involved, and inform the Board of Control of his action; and no such warrants shall be issued until it is definitely ascertained that the provisions of this paragraph have been fully complied with.

Sec. 4. The fact that the above and foregoing is one of the regular appropriation bills for the support of the State Eleemosynary Institutions for the two fiscal years beginning September 1, 1933, and ending August 31, 1935, creates a necessity for the expediting of the passage of this appropriation bill, and an emergency and an imperative public necessity which demands that the Constitutional Rule requiring bills to be read on three several days be suspended, and that this bill become effective from and after its passage, and it is so enacted.
